THE ENDOWMENT

The Endowment will support current and future generations of students and faculty and will last in perpetuity. Gifts to the Endowment give forever, providing a solid financial foundation for our future.

Strengthening our endowment is a major factor in our school's ability to continue providing an inspired education to its students. Gifts to the endowment are an investment in our school's long-term financial stability. The Endowment currently has a balance of over \$387,000 with more than 50% of that raised by the Waldorf Cup.
