RE: Request for Donation

Dear Community Business Owner:

Sacramento Waldorf School is a non-profit private school providing a creative and enriching environment for children in pre-kindergarten through 12th grade since 1959. On March 17, the school will hold the 2018 "The Lucky Club" Speakeasy Auction at the Milagro Centre in Carmichael. Our auction provides vital funding for the school while also offering an opportunity for our local community to join in support of our extraordinary Waldorf school.

The auction includes dinner, dancing, tasteful wines and cocktails, and exciting silent and live auctions. Each year this event attracts about 200 of the most community-minded and supportive participants in the Sacramento area. This is an excellent opportunity to promote your business. We will be highlighting our donors on Facebook and other social media, as well as in direct email communications to our families. Donors will be promoted to hundreds of local families as well as our larger community of family and friends throughout Sacramento.

To reach our fundraising goals, we are seeking donations of goods or services that may be auctioned, used at the auction, or items to assist in our promotional efforts for the event. Since our families and students live locally, we are seeking donations that encourage patronage of our local community businesses. Your generosity aids our school's sustainability while also supporting our ability to continue to give back to our extended community.

If you are able to donate, please complete our online donation form at <https://sacwaldorf.ejoinme.org/donations>. If you have any questions please contact Jennifer Alafranj at (916) 860-2504 or auction@sacwaldorf.org.

Thank you sincerely for your time and consideration,

SWS Acquisitions Team
